§4 General Notes and obligatory Information

Privacy Policy

The operators of these pages take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the statutory data protection regulations and this privacy policy. When you use this website, various personal data are collected. Personal data is data with which you can be personally identified. This privacy policy explains what data we collect and what we use it for. It also explains how and for what purpose this is done. We would like to point out that data transmission on the Internet (e.g. when communicating by e-mail) can have security gaps. Complete protection of the data against access by third parties is not possible.

Note on the responsible entity:

The responsible body for data processing on this website is:

Förderverein Segelflug e.V.
 Fuldatalstr. 35
 34302 Guxhagen
 Phone: +49 (0) 151/58543830
 E-Mail: datenschutz@fv-segelflug.de

The controller is the natural or legal person who alone or jointly with others determines the purposes and means of the processing of personal data (e.g. names, e-mail addresses, etc.).

Storage duration

Unless a more specific storage period has been specified within this privacy policy, your personal data will remain with us until the purpose for data processing no longer applies. If you assert a legitimate request for deletion or revoke your consent to data processing, your data will be deleted unless we have other legally permissible reasons for storing your personal data (e.g. retention periods under tax or commercial law); in the latter case, the data will be deleted once these reasons no longer apply.

General information on the legal basis for data processing on this website

If you have consented to data processing, we process your personal data on the basis of Art. 6 (1) a DSGVO or Art. 9 (2) a DSGVO, if special categories of data are processed according to Art. 9 (1) DSGVO. In the case of explicit consent to the transfer of personal data to third countries, the data processing is also based on Art. 49 (1) a DSGVO. If you have consented to the storage of cookies or to the access to information in your terminal device (e.g. via device fingerprinting), the data processing is additionally carried out on the basis of Section 25 (1) TTDSG. The consent can be revoked at any time. If your data is required for the performance of a contract or for the implementation of pre-contractual measures, we process your data on the basis of Art. 6 para. 1 lit. b DSGVO. Furthermore, if your data is required for the fulfillment of a legal obligation, we process it on the basis of Art. 6 para. 1 lit. c DSGVO. Furthermore, the data processing may be carried out on the basis of our legitimate interest according to Art. 6 para. 1 lit. f DSGVO. Information on the relevant legal basis in each individual case is provided in the following paragraphs of this data protection declaration.

Note on data transfer to third countries that are not secure under data protection law and transfer to US companies that are not DPF-certified

Among other things, we use tools from companies based in third countries that are not secure under data protection law, as well as US tools whose providers are not certified under the EU-US Data Privacy Framework (DPF). If these tools are active, your personal data may be transferred to these states and processed there. We would like to point out that in third countries that are insecure in terms of data protection law, no level of data protection comparable to that in the EU can be guaranteed. We would like to point out that the USA, as a secure third country, generally has a level of data protection comparable to that of the EU. Data transfer to the USA is therefore permitted if the recipient is certified under the "EU-US Data Privacy Framework" (DPF) or has suitable additional guarantees. Information on transfers to third countries, including the data recipients, can be found in this privacy statement.

Recipients of personal data

In the course of our business activities, we cooperate with various external bodies. In some cases, this also requires the transfer of personal data to these external bodies. We only pass on personal data to external bodies if this is necessary within the framework of the performance of a contract, if we are legally obliged to do so (e.g. passing on data to tax authorities), if we have a legitimate interest in passing on the data in accordance with Art. 6 (1) lit. f DSGVO or if another legal basis permits the passing on of the data. When using processors, we only disclose personal data of our customers on the basis of a valid contract on commissioned processing. In the case of joint processing, a joint processing agreement is concluded.

Revocation of your consent to data processing

Many data processing operations are only possible with your express consent. You can revoke consent you have already given at any time. The legality of the data processing carried out until the revocation remains unaffected by the revocation.

Right to object to data collection in special cases and to direct marketing (Art. 21 DSGVO)

If the data processing is based on Art. 6 (1) lit. E or F DSGVO, you have the right to object to the processing of your personal data at any time for reasons arising from your particular situation; this also applies to profiling based on this provision. The respective legal basis on which processing is based can be found in this privacy policy. If you object, we will no longer process your personal data concerned, unless we can demonstrate compelling legitimate grounds for the processing which override your interests, rights and freedoms, or the processing serves the purpose of asserting, exercising or defending legal claims (objection under Article 21(1) DSGVO). If your personal data is processed for the purpose of direct marketing, you have the right to object at any time to the processing of personal data concerning you for the purpose of such marketing; this also applies to profiling, insofar as it is related to such direct marketing. If you object, personal data will subsequently no longer be used for the purpose of direct marketing (objection pursuant to Art. 21. para. 2 DSGVO).

Right of appeal to the responsible supervisory authority

In the event of breaches of the GDPR, data subjects shall have a right of appeal to a supervisory authority, in particular in the Member State of their habitual residence, their place of work or the place of the alleged breach. The right of appeal exists without prejudice to other administrative or judicial remedies.

Right to data portability

You have the right to have data that we process automatically on the basis of your consent or in fulfillment of a contract handed over to you or to a third party in a common, machine-readable format. If you request the direct transfer of the data to another controller, this will only be done to the extent technically feasible.

Information, correction and deletion

Within the framework of the applicable legal provisions, you have the right at any time to free information about your stored personal data, its origin and recipient and the purpose of data processing and, if necessary, a right to correction or deletion of this data. For this purpose, as well as for further questions on the subject of personal data, you can contact us at any time.

Right to restriction of processing

You have the right to request the restriction of the processing of your personal data, if this is technically possible. If the restriction is not possible for technical reasons, you can delete the data.

For this purpose, you can contact us at any time. The right to restriction of processing exists in the following cases:

- If you dispute the accuracy of your personal data stored by us, we usually need time to verify this. For the duration of the review, you have the right to request the restriction of the processing of your personal data.
- If the processing of your personal data happened/is happening unlawfully, you may request the restriction of data processing instead of erasure.
- If we no longer need your personal data, but you need it to exercise, defend or enforce legal claims, you have the right to request restriction of the processing of your personal data instead of deletion.

- If you have lodged an objection pursuant to Art. 21 (1) DSGVO, a balancing of your and our interests must be carried out. As long as it has not yet been determined whose interests prevail, you have the right to request the restriction of the processing of your personal data.

- If you have restricted the processing of your personal data, this data may - apart from being stored - only be processed with your consent or for the assertion, exercise or defense of legal claims or for the protection of the rights of another natural or legal person or for reasons of an important public interest of the European Union or a Member State.

SSL or TLS encryption

This site uses SSL or TLS encryption for security reasons and to protect the transmission of confidential content, such as orders or requests that you send to us as the site operator. You can recognize an encrypted connection by the fact that the address line of the browser changes from "http://" to "https://" and by the lock symbol in your browser line. If SSL or TLS encryption is activated, the data you transmit to us cannot be read by third parties.

Objection to advertising e-mails

The use of contact data published within the framework of the imprint obligation for the purpose of sending advertising and information material not expressly requested is hereby prohibited. The operators of the pages expressly reserve the right to take legal action in the event of the unsolicited sending of advertising information, such as spam e-mails.

§5 Data Collection on this Website

Cookies

Our Internet pages use so-called "cookies". Cookies are small data packets and do not cause any damage to your end device. They are stored either temporarily for the duration of a session (session cookies) or permanently (permanent cookies) on your end device. Session cookies are automatically deleted at the end of your visit. Permanent cookies remain stored on your end device until you delete them yourself or until they are automatically deleted by your web browser. Cookies can originate from us (first-party cookies) or from third-party companies (so-called third-party cookies). Third-party cookies enable the integration of certain services of third-party companies within websites (e.g. cookies for processing payment services). Cookies have various functions. Many cookies are technically necessary, as certain website functions would not work without them (e.g. the shopping cart function or the display of videos). Other cookies may be used to evaluate user behavior or for advertising purposes. Cookies that are necessary to carry out the electronic communication process, to provide certain functions that you have requested (e.g. for the shopping cart function) or to optimize the website (e.g. cookies to measure the web audience) (necessary cookies) are stored on the basis of Art. 6 (1) lit. f DSGVO, unless another legal basis is specified. The website operator has a legitimate interest in storing necessary cookies for the technically error-free and optimized provision of its services. If consent to the storage of cookies and comparable recognition technologies has been requested, the processing is based exclusively on this consent (Art. 6 para. 1 lit. a DSGVO and § 25 para. 1 TTDSG); the consent can be revoked at any time. You can set your browser so that you are informed about the setting of cookies and only allow cookies in individual cases, exclude the acceptance of cookies for certain cases or in general and activate the automatic deletion of cookies when closing the browser. If cookies are deactivated, the functionality of this website may be limited. Which cookies and services are used on this website can be found in this privacy statement.

Contact form

If you send us inquiries via the contact form, your data from the inquiry form including the contact data you provided there will be stored by us for the purpose of processing the inquiry and in case of follow-up questions. We do not pass on this data without your consent. The processing of this data is based on Art. 6 (1) lit. b DSGVO, if your request is related to the performance of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, the processing is based on our legitimate interest in the effective processing of the requests addressed to us (Art. 6 (1) (f) DSGVO) or on your consent (Art. 6 (1) (a) DSGVO) if this has been requested; the consent can be revoked at any time. The data you enter in the contact form will remain with us until you request us to delete it, revoke your consent to store it, or the purpose for storing the data no longer applies (e.g. after we have completed processing your request). Mandatory legal provisions - in particular retention periods - remain unaffected.

Request by e-mail, phone or fax

If you contact us by e-mail, telephone or fax, your inquiry including all resulting personal data (name, inquiry) will be stored and processed by us for the purpose of processing your request. We do not pass on this data without your consent. The processing of this data is based on Art. 6 (1) lit. b DSGVO, if your request is related to the performance of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, the processing is based on our legitimate interest in the effective processing of the requests sent to us (Art. 6 (1) (f) DSGVO) or on your consent (Art. 6 (1) (a) DSGVO) if this has been requested; the consent can be revoked at any time. The data you send to us via contact requests will remain with us until you request us to delete it, revoke your consent to store it or the purpose for storing the data no longer applies (e.g. after your request has been processed). Mandatory legal provisions - in particular legal retention periods - remain unaffected.

§6 Newsletter

Newsletter data

If you would like to receive the newsletter offered on the website, we require an e-mail address from you as well as information that allows us to verify that you are the owner of the specified e-mail address and agree to receive the newsletter. Further data is not collected or only on a voluntary basis. We use this data exclusively for sending the requested information and do not pass it on to third parties. The processing of the data entered in the newsletter registration form is based exclusively on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke your consent to the storage of the data, the e-mail address and their use for sending the newsletter at any time, for example via the "unsubscribe" link in the newsletter. The legality of the data processing operations already carried out remains unaffected by the revocation. The data you provide for the purpose of receiving the newsletter will be stored by us or the newsletter service provider until you unsubscribe from the newsletter and will be deleted from the newsletter distribution list after unsubscribing from the newsletter or after the purpose has ceased to exist. We reserve the right to delete or block e-mail addresses from our newsletter distribution list at our own discretion within the scope of our legitimate interest pursuant to Art. 6 (1) lit. f DSGVO. Data that has been stored by us for other purposes remains unaffected by this. After you have unsubscribed from the newsletter distribution list, your e-mail address will be stored by us or the newsletter service provider in a blacklist if necessary to prevent future mailings. The data from the blacklist will only be used for this purpose and will not be merged with other data. This serves both your interest and our interest in complying with legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6 (1) lit. f DSGVO). The storage in the

blacklist is not limited in time. You can object to the storage if your interests outweigh our legitimate interest.
