Further information:

- The prices quoted are exclusive of VAT at the rate applicable at the time of invoicing, currently 19%.
- The term of an advertising banner is one year and is not automatically renewed.
- You will only receive one invoice for the entire service period. If you give us a SEPA direct debit mandate, pro-rata quarterly debits are possible on request.
- The Association reserves the right to change the size and position of the advertising space for technical or design reasons. In doing so, the Friends Association will ensure that the value of the advertising banners remains relatively the same. In the event of a dispute, the customer will be refunded the pro-rata amount for the remaining term from the date of the change.
- For design reasons, certain advertising banners are not displayed in mobile views. The format may also vary for different end devices due to the use of a „responsive design“.
- Further details and an overview of the various advertising banners are provided in a separate document.

§3 Final Clauses

The price list shall also apply in subsequent years, unless a new price list or a change in the contributions has been decided by the ordinary general meeting.
